

Lincoln Days Antique Show & Genealogy Fair

Friday & Saturday

June 3rd & 4th, 2016

9 am–4 pm

Crossroads Center
125 W. Jefferson
Pittsfield, IL

An Indoor Antique Show featuring a gathering of Early American Through mid-1900's Antiques. This event will also offer an antique appraisal fair by area appraisers.

The Genealogy fair will include scheduled presentations by genealogists as well as research assistance to help attendees discover their family's lineage and potential journey through historic Pike County, IL.

This event is being held in conjunction with the 15th Annual Lincoln Days Civil War Re-enactment held at Lake Pittsfield. This event includes Confederate & Union battle re-enactments, medical units, encampments, & period demonstrations. This year's event will also have the "Iron Clad" and "Henley" war vessels. Show exhibitors are invited to attend an on site re-enactors swap meet on Saturday evening.

Dealers will be provided with a welcome packet including information on area lodging, camp sites, restaurants, and shopping. While in the area plan for extra time to enjoy a tour of our Pike Co. Talking houses, the architecture of area historical buildings, and a variety of unique shops and restaurants while visiting Pittsfield, one of "Lincoln's favorite towns".

Pike County is proud to be part of the Abraham Lincoln National Heritage Area.
