

Santa Sightings – beginning Friday, December 11!

We continue to receive calls asking where Santa will be greeting children. We try to keep track, but he is a busy guy.

Santa will be in his little Santa House on the west side of the Square in Pittsfield from 1 PM until 4 PM this Saturday, December 12th and then again on the 19th.

Santa will be joining the good folks in Barry on Saturday for their annual ChristmasTime in Barry, taking place in historic downtown Barry. Enjoy lunch at the Apple Quarters Office (725 Bainbridge). Santa arrives at 1 PM and will visit with kids at the Barry Fire department until 3 PM. Free horse drawn buggy rides and kids crafts at the Barry Public Library. Make an ornament with the Western YMCA at the fire house. #ShopSmall at many downtown businesses. Download the whole flyer from the calendar listing.

Santa will make an appearance in Perry too, on December 19th. Details in the Calendar listing.
