

CEO® TESTIMONIALS

Chris Pitcher
CEO Student

"The amount of networking and general life skills that I have acquired from this class astound me. Before, I would be a little hesitant to talk to a stranger, but now I can go up to anyone no matter who they are and successfully carry a conversation. The opportunities that have been opened to me just from that aspect alone have made this class worthwhile."

"The Y-Yard has always been strong believers and supporters of our community. We see the CEO program as an important investment not only our future but the future of our community. As they say in the movie Field of Dreams, 'If you build it, they will come.' CEO has done a fantastic job building a strong, valuable program that will provide talent, support, and strength for our community for years to come. We have an easy job of investing in it. We are just doing our part to support those behind the scenes building it. They have the hardest part!"

Kelly Roepke
Investor
President of Y-Yard
Truck & Auto

What is Midland ? Institute for Entrepreneurship

The Midland Institute for Entrepreneurship partners with communities throughout the United States to establish and maintain quality CEO® programs.

I Believe in CEO®

The Midland Institute for Entrepreneurship is excited to introduce our "I Believe in CEO" campaign. We're thrilled with the growth of CEO, but we now face a new and unexpected challenge.

To meet this challenge, we're gearing up to ensure the sustainability and effectiveness of the Institute and the CEO Network well into the future. The Midland Institute Board is excited to come together with our community, the CEO Network, and beyond to bring the transformational power of CEO to communities across the country.

We invite you to join us in supporting this campaign at whatever level is comfortable for you. No gift is too big or too small as we work to cement the legacy of the transformational work that has been done by Craig Lindvahl. Let's partner to help transform kids and communities across the United States. Your gift will help turn our vision into a reality.

For more information on how to donate, please contact:
