

Let's Say Thanks!

The Pike County Chamber of Commerce is announcing the second annual “Let’s Say Thanks” postcard program, a county-wide recognition program to thank veterans and their families. The Pike County Chamber of Commerce is distributing 7,000 postcards free of charge (minus the stamp) to Pike County residents through distribution points around the county. It is asking participants to stamp and mail these postcards to veterans and/or families of veterans to say “thank-you” in time for Veteran’s Day on November 11th.

The postcard front carries the words “Thank You” and images of Symbols of Freedom here in the United States. The back of the postcard carries the following message:

Symbols of freedom dot our nation’s landscape. From large cities to small communities, these symbols are a tribute to the men and women who have served to protect and preserve our freedom. This postcard is being sent to you as an expression of gratitude for your service to our country and our community.
